

We've been asked to have an event that is focused primarily on Outdoor Cooking. Here's your opportunity to learn about different types of outdoor cooking, plus be able to enjoy some other classes that we don't typically have at our event in July.

This is an opportunity to stretch your wings and try something new and exciting in a setting that encourages comfort and fun in the outdoors. It's like a day camp for grown ups!

Grab your mom, sister, friend or co-worker, or grab all of them. Bring them to the Women in the Outdoors event for a Fun and Exciting day of learning and fellowship.

Bring your checkbook or credit card too for special raffles, games, and a silent auction!
